authored numerous ... **id/apsr final wout footnotes - yale university** - accidental logics begins by noting
the features of medical care that make it the object of intense policy concern, analyzing the pressures for
change internal and external to contemporary national health arrangements. **government tort liability for
negligence in the health ...** - carolyn hughes tuohy, accidental logics: the dynamics of change in the health
care arena in the united states, britain, and canada (new york, ny: oxford university press, 1999) [tuohy,
accidental logics] (referring to the relationship of accommodation **boundaries of the "healthcare
workplace" must be expanded** - accidental logics: the dynamics of change in the health care arena in the
united states, great britain, and canada, the evolution of healthcare is a path-dependent process. policy shifts
can be instituted at certain times and not others, and are as much dictated by factors in the broader political
landscape as the healthcare arena. our essayists' recommendations may well define much of the ...
