

**the china-japan dispute over the diaoyu senkaku islands?** - 3 december 2012 briefing paper  
what does international law say about the china-japan dispute over the diaoyu/senkaku islands?  
professor alfred soons **securitization and de-securitization in the diaoyu/senkaku ...** - abstract:  
recently, the territorial dispute over the diaoyu, or senkaku, islands in the east china sea has flamed  
up between china and japan. this conflict deserves further attention because of ... **the historical  
background to the territorial dispute over ...** - sovereignty over the islands before 1894 and  
secondly, whether-once the shimonoseki treaty was signed "the islands were ceded to japan  
by china were to be returned after world war ii. **the senkaku islands and japan-china  
relations** - japan should merely acknowledge that there is a territorial dispute over what it calls the  
diaoyu islands, it now seems to be going a step further by sending ships and planes in ever greater  
numbers into the vicinity of the islands in what appears to be a bid to test japan's resolve  
and establish the perception in the international community [2] that china and japan exercise joint  
control ... **power shift in east asia? a critical reappraisal of ...** - power  
shift in east asia? a critical reappraisal of narratives on the diaoyu/senkaku islands incident  
in 2010y linus hagstro, introduction great symbolic value has been invested in the incident  
between japan and **security council topic 1: dispute over the senkaku islands ...** - security  
council michael gilger, chair michael hayes, political officer 3 topic 1: dispute over the senkaku  
islands if the united nations once admits that international disputes can be settled by using force,  
then **eaibb 623-china n japan's diaoyu-senkaku isands dispute** - islands. both the  
people's republic of china and taiwan have also claimed both the people's republic  
of china and taiwan have also claimed sovereignty over these islands. **how pacifist are they really?  
an experimental study of the ...** - scenario that china sent its military fleets to take over the  
disputed islands and asked them what type of policy packages they like best. we conducted this  
experiment twice, january 2012 and november 2012. **territorial issues in the east and south china  
seas: a ...** - in both issues in the east and south china seas, the long history of china has been used  
to claim the sovereignty over the senkaku/diaoyu, paracles and spralys. in the east china sea, the  
senkaku/diaoyu was claimed to be discovered by china and became part of taiwan. in the south  
china sea, the paracels and spratlys were also considered to be discovered by chinese and later  
attached to taiwan ...
